

CLUB OPEN HOUSE AND PHOTO EXHIBIT MARCH 31ST

The Boys & Girls Club of Laguna Beach is proud to present their annual Open House and Photo Exhibit on March 31st from 4:00 – 6:00 p.m. at the Main Branch. Everyone in the community is invited to stop by the Club, and check out the award winning photos and enriching programs. For nearly 60 years, the Club has been providing a positive place for our community's young people and is now the largest youth development agency in our area serving over 250 children everyday. The Club's outstanding reputation for contributing to community excellence is a product of a successfully combined vision, broad donor support, partnerships and collaborations with local governments and agencies, a strong Board of Directors, and a community who cares about young people.

The Club provides over 30 youth development programs to help young people achieve academic success, increase creativity, make healthy lifestyle choices and gain character and leadership skills. While participating in these specialized programs, young people make critical connections and build relationships focused on mutual trust and respect. The Club's professional staff mentor members, which provides them with opportunities to talk to someone who is trustworthy, and it helps them discover goals and aspirations and provides them with a sense of responsibility to others. These connections help young people learn right from wrong as well as build self confidence and self esteem.

The Club is excited to celebrate their enduring commitment to enriching the lives of the young people in our community. Please stop by the Club on March 31st anytime time between the hours of 4:00 and 6:00 p.m., and get a bird's eye view of how much fun kids have everyday at the Boys & Girls Club of Laguna Beach. For more information about the Club or Open House please call Michelle at (949)494-2535x103 or email her at micheller@bgclaguna.org.
