For Immediate Release

Come Join the Club for Some Summer Fun!

With June 23rd right around the corner, check out what the wonderful staff at the Boys & Girls Club of Laguna Beach are gearing up for your child this summer. Summer Camps start June 27th, 2011 and will be chock full of FUN! Kids and parents alike will love the club's new and improved summer scheduling format that allows your little club member to explore all that The Club has to offer along with their friends at their age level.

The Ed/Tech Department will keep your child engaged with wacky science experiments, tons of fun with computer programming and plenty of time to fine tune their reading, writing and math skills with their Summer Bridge Program. The Games Room will keep your child's competitive spirit soaring during weekly Table Tournaments, American Idol style Karaoke and club wide scavenger hunts. The gym will always be a place for the kids to hone their jump shot, try their aim at Archery and learn tennis, but Bunker Ball on Fridays, exclusive to The Club, is where it's at! The Art Room is nothing short of amazing when the children explore different cultures through World Art and Music, turn trash into masterpieces with recycled materials and ceramics...well, let's just say, "Future Sawdust Artistry"! Aside from all the fun the children experience IN the club, children love venturing out with their favorite staff and friends on summer excursions all over Orange County. The Club takes weekly field trips to the high school pool, Diver's Cove and local amusement parks for a small additional fee.

Sign up today for a summer your child will never forget!!

The Boys & Girls Club of Laguna Beach Main Branch offers a summer enrichment program Monday through Friday from 7 am to 6pm.
