The Club serves 1,500 children each year at its two sites. The TLC Branch is located in beautiful Bluebird Park, and the Main Branch is on Laguna Canyon Road. The Club is committed to broadening horizons and building futures for youth in our community.

The Boys & Girls Club is committed to helping young people and never turns away a child due to financial circumstances. Under the guidance of caring trained professionals, Club Members develop healthy lifestyles, achieve academically, build character and leadership, and exercise their creative expression. Because of the generosity and compassion of Katsuya, the Club will be able to continue its quest for excellence in enriching the lives of local children.
