***For Immediate Release***

## **Annual Golf Tournament Benefiting the Boys & Girls Club of Laguna Beach**

Golf fanatics unite! It's summer again and the Laguna Hackers are up to their mulligans, whiffs, and are yelling fore! They're hosting the 11th Annual Bob Margolis Memorial Golf Tournament benefiting the Boys & Girls Club of Laguna Beach TLC program on MONDAY JULY 11. Shotgun start is at 11:30am with silent auction and raffle before dinner at 6:00pm. This year the "LUCK BE YOUR LADY" theme will be great fun as played out at the beautiful Gary Player designed BELLA COLLINA TOWNE & GOLF CLUB in San Clemente. For only \$110 each player will enjoy a great dinner and awards. Player signups, tee sponsorships, and silent auction donations are still welcome.

This year there will be added excitement with a Helicopter Golf Ball Drop. For \$10 each, you can test your luck by purchasing a chance to be the closest landing to the hole and win a night at Montage Laguna Beach Resort and \$ 300 dining gift certificate.

This annual tournament is in memory of Bob Margolis, whose generosity and outstanding character are honored by raising over \$10,000 each year by the Hackers for the Boys & Girls Club – insuring hundreds of children each day will have a life enriching experience and brighter future. The Hackers are an eclectic group loosely centered around the real estate industry who play a different course every Thursday and negotiate discounted green fees by bringing 20 to 36 players weekly to the course of their choosing. They are always looking for new Hackers and their old lost balls. A minimum of 70 combined handicaps per foursome is recommended so participants should be well schooled in replacing divots, repairing ball marks and yelling fore at the top of their lungs.
