**Endless Summer Fun at the Club!**

Summer Camp at the Boys & Girls Club of Laguna Beach has been nothing but non-stop fun! Kids and parents alike love the Club's new and improved summer scheduling format which has allowed Club Members a chance to explore all that the Club has to offer along with friends at their same age level.

Summer camp has been filled with many special outings and activities to add to the daily programming at the Club. Weekly water blast and beach days have provided members a chance to cool off while having a blast. Artistic Members have had many artful opportunities with daily art classes along with field trips to the Festival of Arts, Sawdust Art Festival, and a special outdoor art class at Hortense Miller Garden. Photography Club is also in full swing with visits to the Festival of Arts for the summer Photography Mentorship Program, a photo shoot at the club, and visits to local destinations to snap some unique shots. Members who enjoy the outdoors and gardening have helped cultivate a beautiful and green organic Club Garden. They also participated in an educational visit to Tanaka Farms, where they learned about fruits, vegetables, and organic gardening. Team work and respect have shown through as members joined forces to play Club Olympics this past week with exciting races, games, a dance contest, mummy-wrap, and more. Adventurous members participating in Adventure Club have gone bike riding and kayaking and are looking forward to many more adventures before the summer is over. The Club culminates with the yearly well-anticipated Catalina Camping Trip!

Club members seem to be having a blast making new friends, memories, and are leaving the club exhausted after a long day jam packed with fun activities! Summer is not yet over, so sign up your child for a summer they will never forget!!
