

**BOYS & GIRLS CLUB OF LAGUNA BEACH MEMBERS RAISE MONEY FOR
BREAST CANCER FOUNDATION**

On October 14th, a group of 10 Boys & Girls Club Members held a fundraiser in support of the Breast Cancer Foundation by selling lemonade, fruit kabobs, and Tie-Dye t-shirts. The girls were able to raise \$268.50 and all 10 participated in the Susan G. Komen Breast Cancer Walk. These girls are members of the Club's SMART Girls program that meets each week.

The Club's SMART Girls program is a national prevention/education program that encourages responsible behavior through strengthening decision making skills. The program is designed to help girls develop healthy attitudes and lifestyles. To accomplish this, the program addresses health and social issues that are specific to female Club members. In addition, the program is intended to help girls make positive decisions at this critical stage in their development.
