

BOYS & GIRLS CLUB
OF LAGUNA BEACH

Dear Parent/Guardian,

We are starting a new school year which means there will be tons of opportunities for academic growth and success for your child(ren)! Together, we can help your member(s) be their best in academics! The Boys & Girls Club is proud to offer Power Hour as our homework and study program for your child/children to be able to complete their work and receive some extra assistance. During Power Hour, members will have assistance from our Bluebird staff with their homework. It is important to us that every member has the time and tools necessary to excel in their academics.

In order to ensure the success of all our members in their academic endeavors, we will have members participate in a homework group with a minimum of a 45 minute time period to work on any schoolwork or homework they may have. During this time, they will have our assistance. We have set expectations which all members participating in Power Hour are to adhere to. The expectations are in place to promote good, positive attitudes during Power Hour which encourages learning and healthy study habits. Our members will be signing a brief agreement acknowledging that, in order to participate in our homework program, he/she will need to be respectful to staff and other Power Hour members as well as working quietly and with a positive attitude. The Expectations Agreement will be a way that we can hold each member accountable for their own actions. If you would not like your child to attend Power Hour, please check the "NO" box on the bottom of this letter, sign, and return it to the Club.

There are many times that members will try to wiggle their way out of Power Hour, although the kids/parents do sign a homework contract, we cannot force the child to attend the program. We will motivate and try our best to have the child work on their homework. We ask of our parents to please encourage their child(ren) to attend our program on a daily basis to ensure academic success.

The staff and I are looking forward to working with your child(ren) in this coming school year to help them achieve all of their academic goals! If you have any questions or would like to discuss our Power Hour program in more detail please contact us through email or phone.

Sincerely,

If you would not like your child to attend Power Hour, please check the "NO" box, sign, and return.

Oscar Parra
Branch Director
Bluebird Branch
Boys & Girls Clubs of Laguna Beach

No, I do not want my child to attend Power Hour.
