Club Program Policy

As defined by the State of California, Department of Social Services, Community Care Licensing Division, which allow members to arrive and leave the facility at their own leisure. We are not a licensed day care but a **private recreation program**. Our staff does not grant permission for children to leave the Club, nor do we insist that they stay. The decision as to when a child arrives and leaves the Club, and with whom, is a matter between the parents and the child. If a child leaves the Club without adult supervision, **the parents take full responsibility for the child's action** while he/she is unsupervised. We are responsible for the safe and proper use of the facility and the equipment and obligated to create an environment in which our participants behave appropriately according to Club rules. If it is the parent's desire that the child remain at the Boys & Girls Club of Laguna Beach until picked up by a designated person, the responsibility for this lies solely with the parent and the child. The Boys & Girls Club of Laguna Beach will not be held liable should any child leave the premises without permission. **We highly recommend that you tell your child to stay at the Boys & Girls Club until parent or guardian picks them up.** We will strongly remind child of your wishes.
