

## BOYS & GIRLS CLUB OF LAGUNA BEACH

### Summer Update

#### Greetings BGCLaguna Family!

**Congratulations to everyone for successfully completing this remarkable school year!**

Our BGC Team was so grateful to be able to stay connected with so many of our young people through our first 8-week session of our Virtual Clubhouse. Even though the programs were virtual, the relationships we have with each and every Club member are very, very real and valuable. Virtual programs will now be a permanent part of our menu of enrichment experiences for kids. Also, a huge thank you to everyone who participated in our End of the School Year Celebration! It was amazing to see you and celebrate your accomplishments. BGC-Laguna Beach is so proud of all of our youth.

Moving forward, our Team is working diligently and getting closer each day to re-opening our Clubhouses! To ensure everyone's health and safety, we are putting in place policies and procedures that follow local, state, CDC, and WHO guidelines. These include physical distancing, smaller groups with higher staff to child ratios, rigorous sanitation protocols, adjusted program structure, and much more. Although it may look different the next time you walk through our doors, there will still be the same caring people you know (and a few new folks too) and it will still be FUN!

We hope to be announcing re-opening dates soon and can't wait to be TOGETHER AGAIN! We greatly appreciate your patience and understanding while we navigate and adapt to our new normal. Please see about our summer Clubhouse plans below!

Summer is a magical time of the year! We hope that you are enjoying it with your friends and family!

Stay Healthy and Well,  
Pam Estes, CEO

#### Summer Virtual Clubhouse is off to a Great Start!

BGC Laguna Beach just wrapped up week 1 of Virtual Summer Camp!

Live, interactive, virtual programs are offered daily between 12:30-1:30 for K-8th graders. BGC-Laguna is also offering virtual preschool Mon/Wed/Fri at 9:00am via Zoom. Registration and enrollment is free of charge and open to everyone!

Programs offered are:

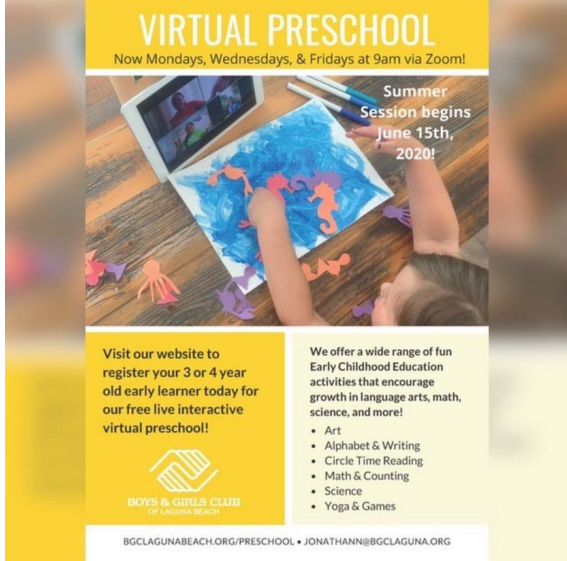

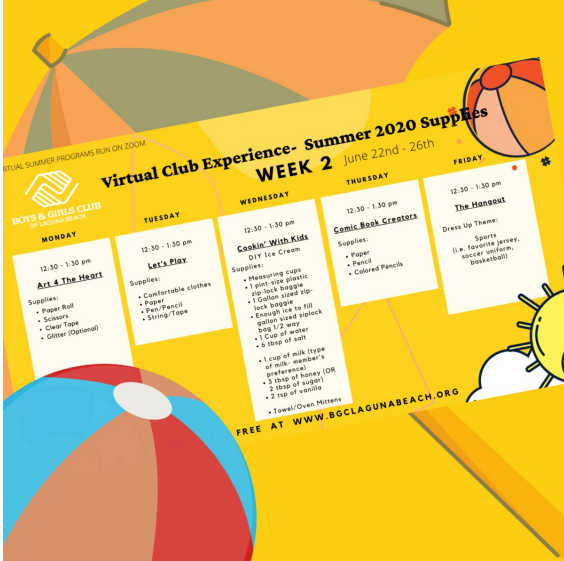

**Monday: Art 4 the Heart**  
**Tuesday: Let's Play!**  
**Wednesday: Cooking with Kids**  
**Thursday: Comic Book Creators**  
**Friday: The Hangout**  
**Monday/Wednesday/ Friday: Preschool**

Cooking with Kids and Comic Book Creators have been our most popular activities thus far. Last week, in Cooking with Kids, members were able to make their own personal pizzas! They also played interactive games while waiting for their pizzas to cook.

In Comic Book Creators, members began developing their main characters and brought them to life as Art Coordinator, Caleb taught members how to draw them.

Virtual Summer Camp will run for 8 weeks and is free of charge. [Register Today!](#)

## Together Again! Re-Opening our Clubs

We are working hard behind the scenes to get our Clubs re-open! While we still don't have an exact start date, we are getting close. Here is what our Clubs will look like.

The day will start with staggered drop off times and a wellness check upon entry. There will be 4 specific camps offered at Canyon Enrichment Center. Bluebird Enrichment Center will be offering an AM and PM Day Camp and we will announcing some exciting news about our Teen Zone soon!

Each Camp will have limited capacity to keep our groups small and healthy. When we announce our opening date, we will have all the details on registration. All registration will be first come, first serve and will take place on our [Parent Portal](#). If you have not yet created a Parent Portal account, you can do so

now by [clicking here](#)!

We will require appropriate face coverings and practice physical distancing at all times. Spaces will be regularly sanitized and thoroughly disinfected between sessions. Members will receive their own supply kits to use through out the week instead of sharing supplies to limit exposure. All of our team is completing extensive training not only on how to keep our members physically safe and healthy but emotionally as well. Our number one goal is still create an enriching environment filled with meaningful relationships and most importantly **FUN!**

All locations will operate with specific drop off and pick up times that will be assigned when you register. You will be able to enroll for either an AM Camp or PM Camp. Camps will operate\*:

Canyon AM (grades K-3): 8:30am-12pm\*  
Canyon PM (grades 4-5): 2:00pm -5:30pm\*

Bluebird AM (grades K-5): 9:00am - 12:00pm\*  
Bluebird PM (grades K-5): 2:00pm - 5:00pm\*

Exciting Teen Zone and El Toro Park Program announcements are coming soon!

\*As we work closely with CDC, WHO and local/state officials to secure the health and safety of our team and members, this is **subject to change**. Please continue to follow us via email, Instagram and Facebook for the most up to date information!
