FALL PROGRAMS

9/16/24 to 11/15/24

Power Hour- Monday - Friday @ 3:00 pm

Daily homework help and assistance! Earn prizes for completing your homework at the end of each week for daily participation in Power Hour.

Laugh Labs- Mondays @ 4:00 pm

A STEM-focused program where members actively engage in hands-on science experiments, sparking creativity and collaboration. Together, they explore new ideas and create exciting, innovative projects that make learning fun.

Triple Play—Tuesdays & Wednesdays @ 4:00pm

Through active participation, members engage both their bodies and minds in fun and exciting games. Triple Play promotes physical fitness, teamwork, and overall well-being, making the experience both enjoyable and beneficial.

Music Club— Thursdays @ 4:00pm

Music Club offers members a space to enhance their creativity and express themselves through various musical mediums. This program encourages artistic growth and personal expression in a supportive, collaborative environment.
